

NAMAKWA DISTRICT MUNICIPALITY

PUBLIC NOTICE: 43/2026

FINAL LOCAL ECONOMIC DEVELOPMENT (LED) STRATEGY 2027–2031

Notice is hereby given that the **Namakwa District Municipality Final Local Economic Development (LED) Strategy 2027–2031** was approved and adopted by Council on **28 August 2026**, under **Council Resolution No. URN19/08/2026**.

The Strategy was developed through an extensive stakeholder and community consultation process, including stakeholder engagements, LED Strategy workshops, validation sessions and a public participation process.

The Final LED Strategy 2027–2031 provides a strategic framework to guide local economic development, promote **job creation, SMME development, investment, partnerships and sustainable economic growth** across the Namakwa District.

The Municipality extends its sincere appreciation to all **community members, businesses, SMMEs, stakeholders and development partners** who contributed to the development and refinement of the Strategy.

The Municipality will now focus on working with its stakeholders and partners to **translate the Strategy's priorities into practical programmes, projects and opportunities** that contribute to inclusive economic development across the District.

The **Final LED Strategy 2027–2031** is available on the Namakwa District Municipality website.
